

Empowering young people,  
creating brighter futures.

# Hong Kong Annual Dinner 2025

Friday, March 14 2025

**Celebrating 25 Years of Empower**

EMpower's Annual Dinner 2025 in Support of Youth

Supporting East Bali Poverty Project would encourage students in the rural mountainous Ban Village community to complete secondary school

**\$25,000** enables **35** young people to complete secondary school

Passerelles Numeriques Philippines Foundation equips young people from low-resource settings with digital and job-readiness skills, and links to IT jobs

90% of graduates from the 2-year certificate program are employed within two months of graduation

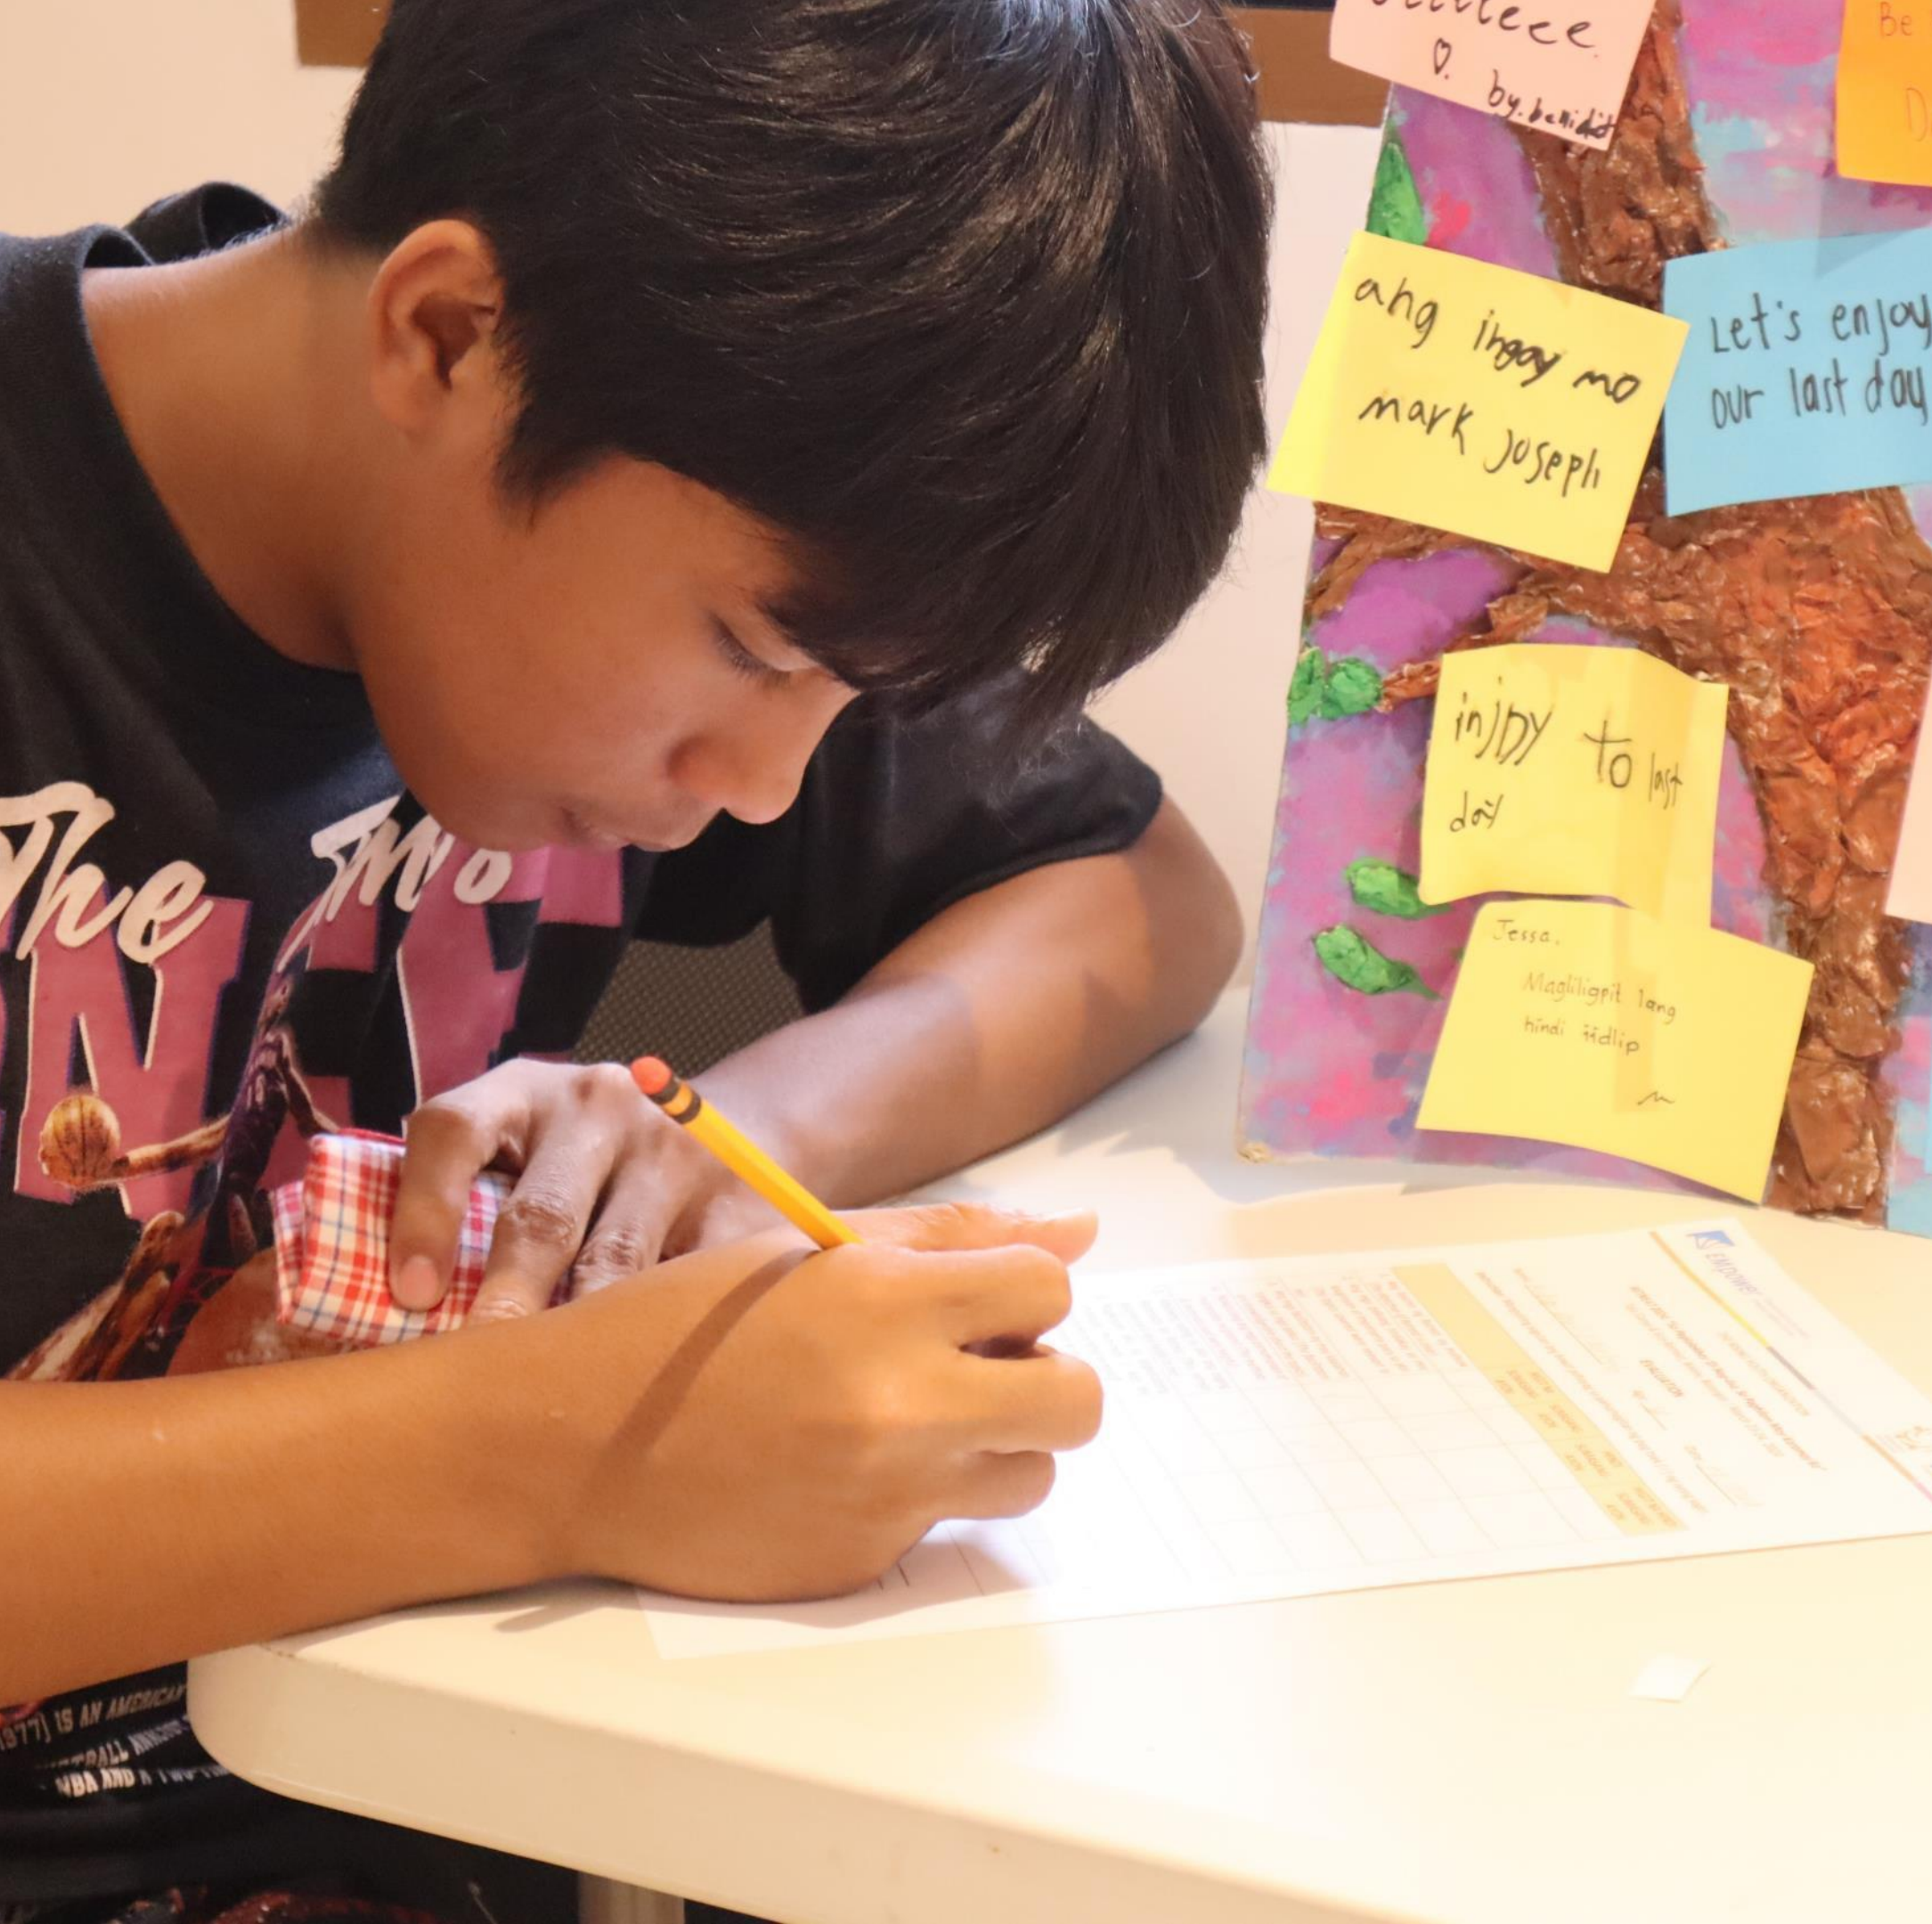

**\$25,000** provides STEM training for **72** young people to have market-ready skills

Through our partner Virlanie Foundation, survivors of abuse and youth with disabilities in institutional care get access to mental health support and job opportunities in the Philippines

**Successfully transitioned young people with disabilities into sheltered employment on organic farms**

**\$10,000 supports 20 survivors of abuse to access job opportunities and mental health support**

Young people readying to leave institutional care in Ho Chi Minh City become employment-ready (Kidspire Vietnam)

Kidspire Vietnam has operated at 47 orphanages, and 89% of the 3,100 students feel more confident and regain interest in learning after participating.

**\$10,000** provides 10 young people the life and digital skills for independent living

Disadvantaged youth in communities like Kwun Tong and Kwai Chung participate in a 2-year mentorship program, opening their eyes and possibilities for a different future (Teach Unlimited Foundation, Hong Kong)

**Disadvantaged students receive additional support beyond the standard exam-focused curriculum**

**\$5,000** enhances life skills and self-esteem of **16** students in Hong Kong

Project KHEL impacts young people from low-income backgrounds in Lucknow through sport coaching and life skills development

Boys and girls practice Ultimate Frisbee in a safe environment together to foster gender equality

**\$5,000** supports 100 young people to effectively build life skills

Empowering young people,  
creating brighter futures.
