## The Impact on Non-Profits

- Increased Funds: Every dollar saved on platform fees is a dollar reinvested in programs and services.
- Accessibility: Smaller organizations can now leverage advanced fundraising tools without financial strain.
- Enhanced Donor Relationships: Offers a transparent and meaningful way for donors to make a difference beyond their donations.

## **FUNDRAISE FOR FREE**Discover **DONOR TIP**

The Donor Tip model is a revolutionary approach that empowers donors to contribute voluntarily towards covering Givergy's platform costs. This ensures that charities, schools, and non-profits can use the platform without incurring any fees.

## How Does Donor Tip Work?

- Voluntary Contributions: Donors can add an optional tip during the donation or bidding process.
- 100% Transparency: Every donor is informed about where their tip goes —to cover platform costs and keep fundraising free for non-profits.
- Charity-Focused: Donor Tip ensures that the entire donation amount\* directly supports the chosen cause, while tips sustain the technology.

\*Stripe Payment processing fees apply to all credit card transactions and can be covered by donors. With Donor Tip, the platform remains accessible to organizations of all sizes, removing financial barriers to fundraising.

## What If Donors Choose Not to Tip?

**No Pressure, No Problem:** Donors are never obligated to tip. Their donation or bid will still go 100% to the cause\*.
